## ABOUT ME

I'm Shakiqr, a web developer with couple of years experience creating dynamic, responsive, and user-friendly websites. My journey in web development began in January 2022, and since then, I have been dedicated to honing my skills and keeping myself up to date with the latest industry trends. I thrive on building dynamic and user-friendly web applications that solve real-world problems. My enthusiasm for continuous learning drives me to explore new technologies and methodologies, ensuring that my work remains current and efficient.

## WORK EXPERIENCE

### DevIT BD - Founder

**June 2022 - Present**

- Develop and maintain responsive and user-friendly websites and Deployment on Ubuntu with Nginx
- Collaborate with clients and project stakeholders to gather requirements, provide technical recommendations, and ensure timely delivery of projects
- Stay up-to-date with emerging web technologies and industry trends, continuously enhancing skills and applying them to projects.
